MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT : Employment of [REDACTED]

25X1A

REFERENCE : HR 20-52. Use of Consultants and Experts

1. This memorandum submits a recommendation for approval of the Deputy Director of Central Intelligence. Said recommendation is contained in paragraph 4.

25X1A 2. The Office of ELINT requires the services of a consultant in the field of radiowave propagation. [REDACTED] is an outstanding and well-known expert in this field. He is director of a number of research projects in his field at [REDACTED]. His membership on a number of technical committees keeps him abreast of the latest advances in knowledge in this field of science. None of our other consultants is considered a specialist in this subject. Radiowave propagation is, of course, of major importance to the application of signal intercept techniques to specific operational problems of the Office of ELINT.

25X1A

25X1A 3. In addition, his advice in a consultant capacity in the field of radiowave propagation will be used by the Office of Research and Development under the DD/R.
